FIGHT ON AN ENGINE.-Joe Smith, a des perado, attempted to assault a colored woman last Thursday night, at Jessup, Ga., and during the struggle cut her with a knife, leaving her to die. As train No. 19, on the Savannah, Florida and Western, was slowly pulling out of town Smith boarded the en pulling out of town Smith boarded the engine. It was some time before Engineer Crawford noted the presence of his crouching companion. He ordered Smith to jump off, which Smith declined to do, and a struggle took place in which Smith again used his knife and slashed up the engineer pretty freely, causing Crawford to surrender and allow Smith to ramain on heart. About allow Smith to remain on board. About fifteen miles out Crawford stopped his train opposite a lonely house. He entered the house secured a double-barrelled shotgun house secured a double-parterled and with it returned to the engine, where his deflant companion still held the fort. Smith dared Crawford to move, brandishing his knife. Crawford then discharged both barrels, shooting the desperado dead.

PLACED IN HIS COFFIN ALIVE .- A special dispatch from Vincennes, Indiana, says that during the session of the Lutheran Evangelcal Synod at Booneville, Philip Grey, a wealthy citizen of Mount Auburn, who was present as a delegate, fell, as it was supposed, dead from apoplexy. The remains were hurriedly prepared for burial, and shipped to the home of the deceased. Ten hours after the supposed death the remains arrived at Vincennes. The baggageman who had handled the coffin declared he had heard the dead man kick against the box three or four times, and that it did not bandle like dead weight. Word was sent to the chief of police at Cincinnati, and the information has been telegraphed that on the coffin being opened the man was lying on his face; his shroud was torn, and there were other indications going to show that he had come to life after being placed in the coffin.

TO THE HOLDERS

Virginia Consols and 10-40 Bonds

We are authorized by the council of foreign boundholders to call the attention of holders of Virginia consols and 10 40s to the fact that the English bondholders are endcavoring, through the instrumentality of the council of foreign bond-

instrumentality of the council of foreign bondholders, to bring about a satisfactory settlement of
the debt of Virginia.

With this object in view, the English bondholders have, to a large extent, agreed to pool
their bonds and have authorized the council of
foreign bondholders to act for them in the negotistions which are about to be had between a commission sent out from London and a committee appointed by the Legislature of Virginia.

It is most desirable that all holders of Virginia
bonds, both at home and abroad, should unite in
the effort to effect an early settlement of the
Stite debt. To better accomplish this object, the
council of foreign bondholders carnestly request
the holders of Virginia bonds in America to cooperate with them and to forward to ourselves
their names and addresses, stating the amount of
bonds held, at as early a day as possible.

We will be glad to furnish copies of the plan
adopted by the English bondholders for pooling
their bonds at London, and to give any other information that may be desired.
